

Shin Nippon Machinery Co., Ltd.
with Indonesian national oil company, PERTAMINA
signed memorandum on maintenance services

On September 18, 2019, the signing ceremony for the memorandum of understanding for maintenance services was held at Jakarta headquarter of Indonesian national oil company, PERTAMINA with four major plant rotary machine manufacturers, including us, and PERTAMINA.

In the future, we will continue discussions with PERTAMINA's five refineries, which deliver our products (process pumps and steam turbines), toward the conclusion of a service agreement (TSA: Technical Service Agreement).

We have delivered more than 400 process pumps and 50 steam turbines to PERTAMINA's oil refining plants. With this signing, we will work to improve the quality of after-sales service as PERTAMINA's partners.

To the people of the world in the fields of energy and the environment ,
We will continue to provide new impressions and rich lifestyles.
